- To receive approval the organiser must enter details of the event, event dates will be approved once coordinated with other organisers within the league.
- Approval is granted on the clear understanding that the nominated Organiser, (or Asst Organiser) is present at the event.
- Race organisers cannot ride in their own event.
- A current MTB east Risk Assessment must be sent as soon as it is available. No later than 4 weeks before the event date. This will be needed before we can issue insurance for the event.
- Promoter guidance, Risk assessments and race day forms are available from the MTB east organisers' website.
